

DECLARATION OF POLAR COMMUNICATIONS MUTUAL AID CORPORATION

I, David Dunning, CEO of Polar Communications Mutual Aid Corporation ("Polar") have personal and direct knowledge of the representations made by Polar in its Connect America Phase II Challenge Process Form ("Form 505"). Based upon my personal and direct knowledge, I verify the truth and accuracy of the information contained in Polar's Form 505.

Polar has confirmed that it is providing both eligible voice and data services in the census blocks included in its Form 505. These blocks are extremely sparse in population, often covering a single home or farm, served only by Polar. In an abundance of caution, Polar wishes to serve notice that it is actively providing service in these blocks but absent request for additional services cannot at this time certify as to whether it will or will not be the sole provider in these blocks.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on this 10th day of November, 2014.

A handwritten signature in dark ink, appearing to read 'David Dunning', is written over a horizontal line.
